

ACDelco Spark Plugs.

New look, same dependable firepower.

ACDelco has changed select spark plugs to enhance their appearance while maintaining their performance. And since ACDelco has a long tradition of being a leader in the aftermarket industry, and is preferred by technicians and vehicle owners alike, you can depend on these new spark plugs to deliver the same consistent performance you've come to expect from ACDelco.

- ACDelco Conventional Spark Plugs now feature a rib configuration of one fat, two skinny, to help provide excellent flashover protection
- ACDelco Professional Platinum and RAPIDFIRE® Performance Platinum Spark Plugs now feature a ribless design to help improve the spark plug-to-boot seal
- Select spark plugs now feature a longer shell body that will help give consistent spark plug resistor performance, while maintaining the standard overall spark plug length
- All spark plugs now feature the updated ACDelco logo
- New spark plugs and current spark plugs are interchangeable
