RUSTENZ®

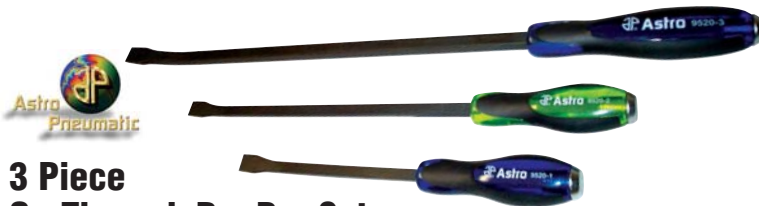

Rust Prevention Capsule

If it can rust ... RUSTENZ rust prevention capsules will protect it! Just peel and stick! Protects by releasing an invisible, odorless, non-toxic, non-flammable, and non-reactive corrosion inhibiting vapor that protects metal and electrical components from corrosion. Creates a blanket of protection within a two feet radius of the capsule. Protects items made from Steel, Iron, Brass, Copper, Aluminum, Silver, and Nickel as well as other materials that can rust.

ACT-CP55000

\$10.99

Normally \$12.73

3 Piece Go-Through Pry Bar Set

Shafts that run entirely through the handles, providing greater striking force than traditional cap end. Reinforced steel capped end can be hammered without damaging the handles. Includes 12", 17" and 25" curved end pry bars.
