

# Something Special

**HEAD ROTATES 360°**

**360° Swivel Head Hand Riveter**

Free function head swivels 360° to operate from any angle. Includes four (4) nosepieces for different size rivets (3/32", 1/8", 5/32" and 3/16"). Grips are molded for comfort and control of the riveter.

**AST-1434**

**\$23<sup>99</sup>** Normally \$32.58

**NEW**

**portasol**

**Plastic Welding Kit**

Cordless butane powered tool transfers heat through contact versus other tools that use hot air. Welding can be carried out next to heat sensitive parts, like cables, foams and other sensitive plastics. Easier to weld problematic plastics e.g. ABS, PC, and PA plastics. Kit includes plastic welding tip, hex key, brass cleaning brush, cleaning piston, reinforcement grid and 4 bags of welding rod.

**POR-PP75**

**\$159<sup>99</sup>** Normally \$189.00

**NEW**

**LINCOLN**

**120 Volt Corded PowerLuber® Grease Gun**

- 120 Volt motor provides the highest torque values in it's class.
- Unmatched for power, longevity and performance
- Variable speed trigger combines with the 2 speed transmission for excellent flow control
- Excellent for refilling grease reservoirs
- Excellent alternative to pneumatic lube tools

**LIN-AC2448**

**\$249<sup>99</sup>** Normally \$302.00

**NEW**

**LINCOLN**

**18 Volt Professional Power-Luber**

The newest addition to the battery operated PowerLuber family. 18 volt high capacity battery delivers up to 10 grease cartridges per charge. High strength composite body and casting provides outstanding durability without weight penalty. Next generation "Smart Charger" for fast charge time. 2 Speed transmission provides high volume or high pressure output. Dual overload protection.

PART #	DESCRIPTION	NORMALLY	SPECIAL
LIN-1842	18 Volt Cordless PowerLuber Gun Kit Includes PowerLuber Gun, 1 battery pack, smart charger stand and case.	\$349.00	<b>\$277.99</b>
LIN-1844	18 Volt Cordless PowerLuber Gun Kit Includes PowerLuber Gun, 2 battery packs, smart charger stand & case.	\$453.00	<b>\$346.50</b>

**NEW**

**RapidFix Dual Adhesive System**

Beyond Super Glue! Incorporates an instant adhesive and a welding powder. Instantly repairs almost anything, including rubber, glass, copper, aluminum, steel and most plastics. The welding powder is used to repair all types of holes, cracks, gaps and can produce a strong weld seam to support repair, just like solder or welded joints. Made in USA.

- High strength-bonds in seconds
- Will not dry out in the container
- Can be filed, ground, drilled and painted instantly
- RapidFix Adhesive dries crystal clear

**RFX-7121188**

**\$27<sup>99</sup>** Normally \$29.95

**RAPIDFIX**  
DUAL ADHESIVE SYSTEM

**Exclusive!**

**3/8" Drive 14MM Hex Spark Plug Socket**

Extra deep: 90mm (3-1/2"). SuperKrome protective finish with knurled grip for easy handling and finger turning.

**SK-4414**

**\$27<sup>99</sup>** Normally \$29.70

**SK** PROFESSIONAL TOOLS **NEW**

**NEW**

**Quick Release Ratchet with One Handed Reverse**

- One-Handed easy to use forward/reverse control function built into the handle
- 60 Tooth gear system minimizes are swing for hard to reach fasteners.
- Ergonomically designed soft rubber handles for greater control and grip
- Quick release button for easy changing of sockets.

Available in 1/4", 3/8" and 1/2" square drive ratchets.

PART #	Description	Over-All Length	NORMALLY	SPECIAL
AST-9724	1/4" Drive Ratchet	6"	\$22.53	<b>\$17.99</b>

**IR Ingersoll Rand**

**NEW**

**3/4" Drive Impactool™**

Delivers the power, durability, reliability, and value to get the job done right. Non-biased motor delivers 1,050 ft/lbs of maximum torque in both forward & reverse. Features 2 power settings in forward & reverse. Variable speed trigger. This tool is smaller and up to 2 lbs. lighter than other 3/4" impacts in it's class, making it easier to handle. Unlike most other 3/4" impacts, the 259 does not require an upgrade to a 1/2" air line, therefore lowering shop costs and greater convenience of use ...all without sacrificing performance.

**IR-259**

**\$426<sup>99</sup>** Normally \$533.22

259

**TITAN****TwistGrip Adjustable Wrench**

Twisted handle allows user to apply pressure on the flat side for greater comfort and more torque. New nonslip jaws better grip and turn rounded or damaged fasteners. High chrome finish for easy clean up and corrosion resistance. Opening size is etched in both SAE and Metric scales.

**10" TwistGrip Wrench**

TTN-24Ø

**\$19<sup>50</sup>**

Normally \$43.43

**12" TwistGrip Wrench**

TTN-242

**\$22<sup>50</sup>**

Normally \$52.09

242

**MASTER MIND****10" Self-Adjusting Auto-Fit™ Pliers**

Just open the jaws and squeeze! These pliers automatically adjust to the proper size for optimum gripping power. Truly a one-handed operation, making job quicker and easier than ever before. Thin raised jaw design provides easy access to tight areas. Patent Pending. Normally \$26.00

MMT-8ØØ334

**\$17<sup>99</sup>**

Jaw with: 5/16"  
Jaw opening: 1-15/16"  
Jaw Depth: 1-1/4"

Pipe capacity: 1-9/16"  
Nut capacity: 1-1/2"  
Adjustments: 12

**MASTER MIND****3 Piece Auto-Fit™ Pliers Set**

One handed operation. Automatically adjust to the proper size for optimum gripping power. Piston assisted gripping power. Includes 7", 10" and 12" pliers with roll up pouch.

MMT-8ØØ357RP

**\$55<sup>99</sup>**

Normally \$81.00

800357RP

**Crescent****20" Tongue and Groove Pliers**

Made from finest quality tool steel. Designed to grip all shapes like rods, pipes and cable connections. Precision milled ribs for smooth, positive interlock. No chance of halves separating or jumping out of grooves. Straight jaws and self-locking jaw adjustment. Maximum 6 inch opening. Non-slip cushion handle grips. Normally \$54.36

CPR-HL12ØP

**\$48<sup>50</sup>**

HL120P

**Work Sharp Tool Sharpener with Knife Sharpening Attachment**

The WS2000 offers 3 ways to sharpen and grind your tools: Top Side with Tool Rest, the Chisel and Plane Iron Port, and the Edge-Vision Port. Sharpens chisel and plane blades up to 1 5/8" wide to a perfect 25° bevel angle without any set up time! Also sharpens lawn mower blades, axes, scrapers, putty knives, carving tools, lathe tools, and much more! Work Sharp can sharpen and grind nearly any tool in your shop. Uses a powerful 1/5 hp motor and produces a maximum wheel speed of 1750 RPM, so it can handle heavy sharpening and grinding tasks. Air cooled sharpening port with routed air flow and heat sink design to quickly sharpen your tools without overheating or damaging the steel. Includes a knife sharpening attachment to sharpen a wide range of knives. Easily mounts on top of WS2000

DD-WS2ØØØKN

**\$173<sup>50</sup>**

Normally \$189.99

**WORK SHARP****Brake Bleeder Kit**

Automatically bleed brakes and refill the fluid reservoir. Compact size fits easily in the wheel area. Universal rubber fitting holds securely on brake bleed screw. Internal overflow valve prevents brake fluid spray if container reaches capacity. Locking trigger. 1/4 NTP inlet. Uses standard shop air. 500 ml. (16 ounce) bottle.

PBT-7Ø856

**\$99<sup>99</sup>**

Normally \$164.96

**NEW**

70856

**5 Piece Master CamClamp Timing Gear Clamp Kit**

Designed to secure the timing belt pulley sprockets and maintain the vehicles timing while the timing belt is removed. Works on timing belt pulley sprockets with diameters of 4" to 6" and spacing of up to 3" apart. Works on dual and quad overhead cams. Allows belt replacement to be carried out by one person.

PBT-7Ø9ØØ

**\$59<sup>99</sup>**

Normally \$93.46

**3 Piece Seal and O-Ring Puller Set**

- Quickly and easily removes O-Rings, grease and oil seals
- Special shape tip provides better access than the traditional seal pullers
- 3 different lengths and tips fit nearly all seal applications
- Simply insert the tips, press and pull
- Includes 4.6", 6" and 6.5" pullers

AST-9519

**\$19<sup>99</sup>**

Normally \$25.15

**Power Probe III Electrical System Tester**

With the press of a switch you'll have an instant hot lead or ground lead. Use the hot lead and ground lead simultaneously to activate components right in your hand. Instantly check components for continuity as well as identify positive, negative and open circuits without re-polarizing hook-up clips. Locate shorts without wasting fuses. The 20 foot lead will allow you to test bumper to bumper without jumper leads.

Audio tone indicates positive with a high pitched tone and negative by a low pitched tone. The audio feature can be disabled when testing relays! The Power Probe III has 2 cool white LED'S that flood the work area with bright light.

PP-PP319FTC

**\$139<sup>99</sup>**

Normally \$173.43

**Drill Doctor 500X**

Sharpen the most popular sizes of bits, including split points and masonry bits. Sharpens 118° and 135° bits. Sharpens 3/32" to 1/2" standard twist bits. Sharpen high-speed steel, masonry, carbide, cobalt, TiN-coated and split-point bits. Creates split-point bits from standard bits.

Normally \$182.77

**500X****\$154<sup>99</sup>**

DD-5ØØX

**Drill Doctor**  
The Drill Bit Sharpener**Drill Doctor 750X**

Sharpen bits from 3/32" to 3/4" with a single, convenient chuck. Sharpen high-speed steel, masonry, carbide, cobalt, TiN-coated & split-point bits. Custom point lets you adjust the point angle from 115° to 140°. Creates split-point bits from standard bits.

Normally \$220.80

**750X****\$182<sup>99</sup>**

DD-75ØX

**Drill Doctor**  
The Drill Bit Sharpener

### Pocket-Therm Infra-Red Thermometer

This non-contact temperature reader safely measures surface temperatures of hot, hazardous or hard to reach objects. Simply point, click and read. Instant, accurate response.

- Temperature range of -27° to 428° F (-33° to 220° C)
- Compact and lightweight
- Backlit LCD display w/ dual readings
- More than 30 hours of continued use. Replaceable battery included.

ACT-CP7875

**\$21<sup>99</sup>**

Normally \$52.99

### 7 Piece Metric Split Box Ratcheting Wrench Set

Unique open ended ratcheting action wrench provides the functionality and access of an open ended wrench with the ease and speed of a ratcheting box wrench. Chrome molly steel heads for maximum strength. Set includes sizes: 10mm, 12mm, 13mm, 14mm, 17mm, 19mm, and 22mm.

AST-7125

**\$99<sup>99</sup>**

Normally \$136.13

### 10" Multi-Purpose Utility Scissors

- Stainless steel blades
- 4-3/4" cutting length
- Adjustable pivot point for variable blade tension
- Extended tang
- Excellent for cutting rubber, plastic, upholstery, canvas, fabric and more.

Normally \$19.78

TTN-1231Ø

**\$12<sup>49</sup>**

### Multi-Purpose Folding Pocket Knife

Black satin finish handle with anodized blue trim. Serrated blade. Thumb tab on blade for easy opening. Blade locks in position for safety. Handy belt clip. 6" Overall length, 3-1/2" closed.

TTN-12139

**\$8<sup>07</sup>**

Normally \$9.84

### 3-In-1 Camo Folding Knife

3 blades in one knife (cutting knife, mini saw blade and a standard blade). Camo colored blades. Blades are 3-1/4" long. Knife is 8 inches long when open. Lightweight high impact poly handle. Normally \$12.22

AMP-T19488

**\$8<sup>99</sup>**

### Transmission Jack Adapter

Turns most 2 Ton, 2-1/2 Ton and 3 Ton floor jacks into a transmission jack. Tilt knob, 4 adjustable corner brackets and chains.

KTI-63132

**\$124<sup>99</sup>**

Normally \$132.74

### 3 Ton Service Jack

2" Wide front wheels. Lifting Range from 5-3/4" to 20-1/2". 40" long (2-piece) handle. Shipping weight: 93 lbs. (one box). Normally \$205.54

KTI-6313Ø

**\$175<sup>50</sup>**

63130

### Double Burner Tank Top Infra-Red Heater

30,000 BTU's. Attaches easily to a standard 20lb. LP (propane) cylinder to provide instant infra-red heat. Includes adjustable heat control valve & built-in safety shut-off. Dual burners can be independently aimed in different directions. LP tank NOT included.

DUR-TT-3Ø

**\$126<sup>99</sup>**

Normally \$139.40

### 100,000 BTU Forced Air Propane Heater

Heats up to 2,500 sq ft. Operates 8-12 hours on a single 40 lb. cylinder. Uses 40 to 100 lb. cylinders. Low maintenance design. LP regulator included. Adjustable heating angle. This portable heater provides fast, clean heat for garages, outbuildings, worksites and more. 110V grounded outlet required for proper operation. LP cylinder NOT included.

DUR-GFA1ØØA

**\$266<sup>99</sup>**

Normally \$296.00

GFA100A

**\$513<sup>50</sup>**

### 170,000 BTU Forced Air Kerosene Heater

DuraHeat Forced Air Kerosene Heater with Thermostat. Don't worry about rough handling, all the components are securely fastened, no more premature parts burn-out. Fuse protected electrical system. Large capacity fan motors provide superior air flow volume. Flame out & Overheat Shut-off. Commercial grade. Pneumatic wheels. Dual lift handles. Extension cord wrap. Can heat up to a 4,000 sq. foot area. Fuel tank: 13 gallons. Normally \$570.00

DUR-DFA17ØC

DFA170C

### 23,000 BTU Convection Kerosene Heater

23,000 BTU Heater can heat up to 930 square foot. 1.9 gallon internal fuel tank provides enough fuel to burn 9 to 12 hours depending on the wick height setting. A good choice for back up heating during winter power outages. Completely portable. Safety tip over shut-off.

DUR-DH23Ø4

**\$182<sup>99</sup>**

Normally \$199.66

### Pro-Series 4 Ton Body Repair Kit

10,000 psi max. pressure. 14 attachments including 5 tube extensions. Custom case.

KTI-637Ø5

**\$269<sup>99</sup>**

Normally \$300.47

### 10 Ton Body Repair Kit

10,000 psi max. pressure. 13 attachments including 4 tube extensions. Custom rolling case. Normally \$478.21

KTI-63711

**\$426<sup>99</sup>**

**NEW**

### 28 LED Rechargeable Flip Light with LED Safety Goggles

Features 4 LED spot lights and 24 LED flood lights. Maintains nearly the same intensity for the entire discharge cycle. A single charge provides approximately 4 hours of continuous use using the flood lights. Lithium batteries operate efficiently in extreme weather conditions with minimal heat generated. Battery life indicator shows state of charge. Flip design allows light to be set open in multiple positions. Includes belt clip carry case, charging cord and for a limited time includes an LED lit safety goggles.

**FREE Safety Goggles**

AST-6328G

**\$49<sup>99</sup>**

Normally \$62.50

### 500 Amp Carbon Pile Load Tester

- 500 AMP adjustable load carbon pile
  - Great for simulating actual cranking loads
  - Tests 12 volt batteries rated as high as 1000 CCA or 160 AMP hour
  - 500 AMP side clamps & heavy-duty cables
  - 15 second test with audible tone
  - Large, color-coded dual meters
- Can also test alternators, regulators & starters. Includes temperature compensation chart

KTI-70210

**\$119<sup>99</sup>**

Normally \$129.99

**NEW**

### 4 Pack Retractable Ratchet Tie Downs

The quickest and easiest tie down on the market. Takes 1/3 of the time to use! No feeding straps in, no tying off ends or removing webbing from the ratchet. The strap is permanently affixed and self-contained. Built-in power spring automatically retracts webbing for easy storage. 6 foot long, with a safe work load of 500 lbs. and a 1,500 lb break strength.

**Smart Straps**

WNP-468

**\$31<sup>95</sup>**

Normally \$38.07

### 2 Pack Adjustable Bungees

Adjusts from 24" to 40". Adjust the tension and length with a simple tug. Steel core, super strong coated hooks that won't scratch or mar. 150 lb. capacity. Normally \$7.07

WNP-107

**\$5<sup>95</sup>**

**Smart Straps**

### The Tail Bone Mechanic's Seat

The Tail Bone mechanic's seat was designed from scratch with unique features that make it durable, comfortable and easy to use. The base is a tripod; a naturally stable platform on uneven surfaces that turns with the user. The seat and base are made from a tough engineering-grade polymer that is smooth, impact-resistant, impervious to oil, cleaners, solvents and is easy to clean.

### Original Tail Bone

Over-all height: 13-1/2". 5" dual race ball swivel wheels. USA. Normally \$197.52

BON-5031

**\$132<sup>95</sup>**

### Rough Rider Tail Bone

Over-all height: 14-1/2". 5-3/8" x 1-3/8" high clearance swivel wheels. USA. Normally \$237.52

BON-5131

**\$159<sup>99</sup>**

**NEW**

### The Mini-Ductor™

Flameless Heat, faster and safer than torches! Uses high frequency magnetic fields to instantly heat metal objects: Nuts/Bolts, Bearings, Gears, Pulleys, Sensors (O2) and many more. Also remove: Hail dents, Vinyl Graphics, Side Moldings, and Emblems.

Operates on 120 Volts, 1000 Watts.

The MINI-DUCTOR® is a hand-held device that comes with a built-in power supply, one Nut-Z-off coil, one Bearing Buddy (rope) coil, a U-form coil (23" insulated wire), owners manual and storage case.

Makes removal of stuck nuts and bearings easy.

Without the danger of an open flame, heat metallic objects near plastic splash shields or other plastic components without the need to remove or shield them.
