TRAINING MISSION STATEMENT

ACDelco's mission is to provide aftermarket service professionals with the skills necessary to help safely and effectively diagnose and repair customer vehicles utilizing inviting education methods within an extensive and engaging training portfolio.

Virtual Classroom Training

With just a simple purchase of a PC headset with attached microphone, ACDelco PSC and KFLT participants can take these live, interactive training classes.

What does my system need?

Ensure hardware used for VCT meet the following minimum requirements:

- Windows 10, Windows 8.1, Windows 7
- A hard wired high speed connection (Wireless connection is not recommended)
- Internet Explorer 8 or higher (IE 9 recommended), Windows Edge browser, Mozilla Firefox, and Google Chrome
- Adobe Flash Player 13.0 (or later recommended)
- Screen resolution of 1024x768 (minimum)
- USB PC headset with attached microphone

How do I enroll?

Log in to acdelcotraining.com. Search for scheduled sessions by clicking **Enroll in a Course** from the home page. Search for **Course Number > Contains > VCT** and click **Submit**.

The screenshot shows the 'MANAGE MY TRAINING' interface. The 'Enroll in a Course' tab is highlighted with a red circle. Below the navigation bar, the 'Schedule' section is active. It contains a search form with the following fields: 'Course Number' (dropdown), 'Contains' (dropdown), 'VCT' (text input), 'Date Range' (August 25 / 2014 to December 31 / 2014), and 'Course Category' (All). A red circle highlights the 'Submit' button. Below the search form, there is a 'Distance (Optional)' section with a 'Within Any' dropdown and a 'Zip/Postal Code' input field. A 'Simple Search' link is located at the bottom of the form.

The available course sessions will appear. To enroll in a course session, click the button next to the desired session, and then click **Submit**.

You have until one hour prior to the session start time to enroll. If you try to enroll in a session that starts within one hour, you will receive a Past Cutoff Date message.

For more information on the requirements for VCT, please refer to the VCT User Guide located in the Resources section on acdelcotraining.com.
