

Bend it, Shape it, Stock it Today!

UNICOIL™

Now your customers can make their own custom hoses using stock heater hose and new, patented Unicoil™ hose bending coils. Unicoil is the perfect solution for out-of-stock situations and troublesome routing conditions.

Unicoil™
Pop-up Display Box

- Bend straight hose into any shape
- No tools or special equipment needed
- Timely solution when custom molded hose isn't available
- Reduces inventory requirements while providing a hose solution for custom applications.
- Can be used on Heater Hose, Fuel Line Hose, Fuel Injection Hose and Transmission Oil Cooler Hose.
- Individually unitized and available for ordering in a pop-up display box of 12 or as an assortment with merchandiser.
