Dilan Laubenthal is the 2014 recipient of the Robert Elliott Automotive Scholarship valued at \$500. The purpose of this scholarship is to encourage individuals interested in the automotive field to pursue post secondary education opportunities that are available to them.

Currently, Dilan is a senior at Spencer High School and will graduate in May. He has been employed at Johnston Autostores' warehouse in Spencer since November 2012, and will continue working there through the summer months.

In August, Dilan will be attending Iowa Central Community College in Fort Dodge where he will be majoring in automotive technology. This is a 2 year program. While attending college, he will be working part-time in our Fort Dodge location.

After completing college, Dilan plans to make his home in this area, and someday, hopes to have a mechanic shop of his own.
